## All of your benefits information is on the MyChoice<sup>®</sup> Mobile App!

This is one app you will definitely want to download to make your life much easier. Here are some of the valuable features the MyChoice Mobile App offers you:

**Detailed Views** – View a detailed account of your current – and future – medical, dental and vision plans, spending accounts, and voluntary and supplementary benefits

**Beneficiaries** – View all listed primary and contingent beneficiaries for applicable insurance policies

**Hit Deadlines** – Stay on top of important deadlines, send and receive benefits documentation such as dependent verification and Evidence of Insurability (EOI)

**Digital ID Cards** – Upload and store images of your ID cards for use on-the-go

**Get Help Fast** – Easily contact our personal benefits assistant Sofia<sup>SM</sup> for general questions about benefits, enrollment, life events, or required documentation through live chat

## How to Access the App for MyChoice from BenefitSpot<sup>TM</sup>:

From your PPS Google email, click the 'waffle' icon in the upper right corner of your screen.
